

## BETHLEHEM COUNTRY CLUB 2017 LADIES MORNING QUOTA LEAGUE

### PAY AS YOU PLAY!

- Ladies Quota Points 12 Hole League will be played on Thursdays at 9am
- Sign in no later than 8:45am. Be on T-Box by 9am ready to play.
- All ladies are welcome to play--Members and Non-Members.
- Weekly fee is \$5.00-paid when you sign up on day of play.
- Non-Members will pay 12 hole greens fee at the Pro Shop Desk prior to play.
- Prizes are awarded once everyone is finished, and all cards are turned in.
- **Scoring is based upon the Quota Point System:** Each week players will be assigned a number of quota points they must achieve. Initial quota points are determined by the player's handicap as of 5/15/2017. If the player does not have an established handicap, quota points will be determined the first time they play, (no more than -3 or +3) based upon a player's stated belief of their handicap. From that point forward, a handicap is not used. Quota points will be based upon the player's achieved points the previous week or most recent league quota play.
- Scoring for each week for both team and individual prizes are covered below. (See Quota Scoring System-posted in club house).
- **All ladies must sign in at the clubhouse lounge no later than 8:45am on the morning of play. An official score card will be kept by the team designated player. The designee must turn in the signed card to the scoring table at the end of your game. Please remember to total your points attained prior to turning in the score card. Anyone wishing to post their score into the GHIN System, may keep a separate score card.**
- Teams will be picked as soon as possible after the close of sign-up (8:45am). Teams will be comprised of 3 or 4 players and will be chosen by a draw of cards on the morning of play after everyone is signed in. **Starting time of play is 9am. Be ready to play once you reach the assigned starting hole.** (to speed up play and not interfere with the men's league-we will be starting on holes 12, 1, 3, and 4). Everyone should be past hole 1 prior to the men's league starting time of 11:30am.

- **Payouts** will be at the end of play, and will vary depending on the number of players on that particular morning. **Prizes are awarded for the 1st and 2nd place teams, and the 1st and 2nd place individuals based on the number of points over and under the required quota points.** The prizes are paid out on the basis of 40% for 1<sup>st</sup> place team, 30% for 2<sup>nd</sup> place team, 20% for the 1<sup>st</sup> place individual and 10% for the 2<sup>nd</sup> place individual. The exact percentage will vary with the number of players due to rounding off. The schedule of payouts will be posted in the clubhouse.
- In case of inclement weather, it is the decision of the individual player whether or not to play. No one is penalized for no show, as all ladies sign up the morning of play!
- USGA rules apply to all players. Local Club Rules will be used where they apply. Rules are available in the clubhouse.
- **Please be courteous**, and wave players behind you, in the event of a lost ball (5- minute rule), or if you are having a delay of game. This is especially important if you have an empty hole ahead of you.
- Please mark your ball on the green when it is in another player's line, or around the hole. The away player may then putt without distraction. Do not wait to be asked, this will speed up play.
- If there is a question regarding a rule during the game, try to resolve it quickly with a knowledgeable team member, and/or rule book, and then proceed.
- Gimmie putts are allowed only for double bogey and higher. Players may pick up if they are willing to take no points for the hole, or if they have exceeded bogey. Scores for GHIN purposes can then be based on The Rules of Golf'' (Equitable stroke control). Etiquette requires that the person whose ball is closest to the hole tend the flag, and the first person who putts out is responsible for replacing the flag.

Please total your scores on the next tee. Do not linger on the greens and hold up other players. **ALWAYS PLAY READY GOLF!** Any questions, or concerns, please address them with the Quota Point League Committee.
